LATEST NEWS...

January's Crime Figures:

- 14 Burglary Dwellings**
- 6 Burglary other**
- 8 Theft from vehicle**

Most of the burglaries reported to us have been committed by offenders entering at the rear of the property at various times throughout the day and night. Please don't make it easy for them. If you can walk straight round to the rear of your property try to think of ways to make it more difficult for a potential burglar.

- If you have a side gate make sure it is locked
- Have you got security lights? Are they working?
- Are your fences difficult to climb over? Consider using pricka strips
- Don't leave ladders or tools in the garden that burglars could use to break in.

For non-emergency calls or to report a crime, call police on 101 or Crimestoppers anonymously on 0800 555 111.

Use 999 only in emergencies where there is a threat to life or property or a crime in progress.

To pass on information anonymously to the police, please call Crimestoppers on 0800 555 111. They will not want your name, just your information.

Greater Manchester Police exists to protect society and help keep people safe.

To achieve this purpose we are committed to:

- **Continuing to drive down Crime and Anti-Social Behaviour**
- **Keeping People Safe**
- **Delivering a good service**

You told us you were having problems with

ASB/Drug use in Car Parks

WE DID...

Regular Patrols of hotspot areas and work with owners re security.

COMMUNITY ALERTS

We have had several reports of Anti-Social Behaviour in various car parks across Bramhall. This includes people meeting up in vehicles and using 'legal highs'. Just the fact that a substance is sold as 'legal' doesn't mean that it's safe or legal. You can't really be sure of what's in a 'legal high' that you've bought, or been given, or what effect it's likely to have on you or your friends. Often these 'legal highs' have been directly linked to poisoning, emergency hospital admissions including in mental health services and, in some cases, deaths.

When vehicles are being used in an Anti-Social manner we can use powers under the s59 Police Reform Act to issue a warning against both the vehicle and the driver. If either the vehicle or driver are seen acting in an Anti-Social manner again the vehicle can be seized.

POLICE SURGERY Monday 16th February at The Hub on North Park Road 10.30am- 12.00

POLICE SURGERY Thursday 19th February at Centre Point Bramhall Village 10.30am -12.00
