Woodford Neighbourhood Forum - Consultation

With support from the local community, Woodford Community Council (WCC), through Woodford United (WU), has been working to address the issues arising from the proposed development of the ex-BAE site and the Stockport Supplementary Planning Document. As explained at the WCC AGM 2012, it was decided that the next stage of the process would be to set up a Neighbourhood Forum under the 2011 Localism Act. An application has therefore been submitted to Stockport MBC to establish Woodford Neighbourhood Forum and Neighbourhood Area. The applications and supporting documentation are available on the Council's website at <http://www.stockport.gov.uk/neighbourhoodplans> and can also be viewed upon request during regular opening hours at:

- Stockport Direct Local Centre, Fred Perry House, Edward Street, Stockport, SK1 3XE
- Bramhall Library, Bramhall Lane South, Bramhall, SK7 2DU
- Budgens, 442 Chester Road, Woodford, Stockport, SK7 1QS.

What does this mean for Woodford?

A Neighbourhood Forum has statutory and recognised powers and duties that bring some of the decision-making and liaison closer to those affected by development proposals and allow their views to carry much more weight.

Working within the National Planning Policy Framework, Local Core Strategy and Allocations Plan, Woodford Neighbourhood Forum may produce a Neighbourhood Plan for the designated Area, which would provide guidance for development within that Area and better reflect the views and concerns of local people, businesses and organisations. It cannot change anything that has already been agreed, but can influence future developments. The Plan would have to be submitted to a local referendum in which all registered voters in the Neighbourhood Plan Area would be entitled to vote and can only be accepted if a majority of those voting agree to it. If accepted, the Plan would become a Policy Document to which SMBC must give due consideration.
