TB mentioned that Sunil and Raj were no longer regularly at Budgeons, as they have employed some others to run the business day to day. TB will discuss the installation of the noticeboard, as it is now an embarrassment to WCC that we still have not got it in place.

WNF are also working out how to respond to a planning application on Bridle Road which the applicants suggested would be an infill, but WNF committee believe is not the case.

EF prior to the meeting has been awarded an award for work that she has done with the WNF. JS and Jude Craig went to support her.

## **AVRO HERITAGE MUSEUM**

TB reported that Harrow had given the museum more land where they are hoping to build more accommodation for aircraft that they are may be offered. They are aiming to raise £5million to fund the project.

TB reminded the committee that this year the museum is to host 4 military vehicle and classic car days along with a weekend Air Fair. In addition a celebration of the 70th anniversary of the first flight of the Vulcan (August 30th 1952) will be held in August.

## **CHURCH**

The church has an important anniversary which will be celebrated on 23<sup>rd</sup> July as it is 150 years since the church was consecrated.

There was a big wedding organised this Saturday and there are people coming from the new community. The new school is keen to be linked to the church.

## **5. Any Other Business**

Discussion with regards to a recent bereavement and whether there was a limited attendance. The memorial service is to be on 7<sup>th</sup> April. TB queried how open it was as he and other museum members would like to attend. EF was to ask Jude Craig and report back.

## **6. DATE OF MEETINGS**

As the meeting was not quorate, (there needs to be 5 for a quorum), another date needs to be set for a meeting.

WCC are to have at least 4 meetings, and to date there only has been one. Three further meeting at least need to happen before the AGM in November.

JES will send out a suggestion for dates.
